

JOB DESCRIPTION

POSITION : LECTURER

RESPONSIBILITIES:

- Teach, coordinate and develop learning materials for undergraduate and postgraduate courses (Open Distance Learning, Online Learning and Classroom Lecture) in the prescribed fields within the School.
- Conduct relevant research, publication and consultancy activities in related areas.
- Assist the School in developing new academic programmes, enhancing delivery and learning, facilitate seminars and other projects relevant to the University.
- Ensure that the programmes offered remain viable, up-to-date and are at the highest quality possible.

REQUIREMENTS:

- PhD / Master's Degree in related disciplines from a recognised institution.
- At least 5 years of relevant teaching experience in an institution of higher learning would be an added advantage.
- Experience in Open Distance Learning programmes and Scholarship of Teaching & Learning (SoTL) would be an added advantage.
- Digitally literate and able to teach courses online.
- Possess good communication and interpersonal skills.
- Able to work in a team.
