

DEPUTY VICE CHANCELLOR

We are looking for a new senior member who is passionate, motivated and outstanding individual as our Deputy Vice-Chancellor (Academic) to be part of a dynamic leadership team to share our goal of being innovative, responsive and dedicated to the advancement of lifelong learning.

Reporting to the Vice Chancellor, the candidate will work with the VC to provide academic leadership and direction, and to create an environment in which the academic objectives of the University as well as its mission and vision can be achieved.

The person will be responsible to lead and manage the strategic initiatives and academic plans for the University to enhance the quality and outcomes of the current teaching and learning in a digital world.

The new Deputy Vice Chancellor (Academic) will ensure that the quality of teaching and learning in all academic programmes and activities comply with that of local and international standards in driving the University to achieve Academic Excellence. This senior post will require working with several government bodies including the Ministry of Higher Education and the Malaysia Qualification Agency to ensure that the schools programmes accreditation are granted.

The successful candidate must possess a Doctor of Philosophy in any field and have at least 10 years of academic and administrative experience in a leadership role in higher education. This candidate must have a proven track record of strong leadership in research and an established record of scholarly outputs in local and international journals.

Extensive experience with online and distance education pedagogies will be the key. Fulfilment of the responsibilities would require a high level of oral and written competence in both English and Bahasa Malaysia. This leadership position would definitely be an exciting and challenging one as it gives you the chance to demonstrate the ability to lead and oversee the development of the schools and to enhance their excellence in teaching and learning to nurture the professional talents that can positively impact the nation.
